

Extremely low vibration achieved by ...

**AVT**  
ANTI VIBRATION TECHNOLOGY

**1 Damper spring**  
absorbs reaction force of impact energy.

**2 Counterweight mechanism**  
reduces vibration by moving a counterweight in the opposite direction of the piston.

**Detachable Dust collection system**

**1" Rotary Hammer with HEPA Filter Attachment**

**HR2663** Adapted for SDS-PLUS bits

- Double Insulation
- Variable Speed
- Reversing
- SDS-PLUS Shank
- Torque Limiter
- Dust Collection
- Carrying Case

<b>Bit Type</b>	SDS-PLUS
<b>Maximum Capacities:</b>	Concrete: 1" (26 mm) Steel: 1/2" (13 mm) Wood: 1-1/4" (32 mm)
<b>No Load Speed</b>	0 - 1,100 RPM
<b>Blows Per Minute</b>	0 - 4,500 BPM
<b>Impact Energy</b>	2.9 J (2.1 ft. lbs)
<b>AMPS (120V)</b>	8.0 A
<b>Overall Length</b>	26-1/4" (666 mm)

**Standard Equipment:** Side Handle (158057-6)  
Depth Gauge (324219-0), Five Sealing Caps (424474-5), Dust Collector (127190-5), Plastic Carrying Case (821778-0)

**HEPA filter**

**with filter cleaning mechanism**

# HEPA filter

## Filter cleaning mechanism

by turning the dial, the dust falls off from the filter

**Filter plate**  
Filter plate is engineered to prevent debris entering into motor when using without dust collection system

photo : HR2652

## High dust collection performance for overhead application

Dust collection rate for overhead application

## Large Fan Provides Incredibly High Dust Collection Power

## Enables to accept longer drill bits

### Adjustable drilling depth

Telescopic guide also functions as a depth gauge. A desired drilling depth can be adjusted simply by sliding a push button on the guide to the desired point.

### Position adjustment of Dust Collection Inlet

one action adjustment according to bit length simply by pushing a single push button

## Secure connection between dust case and dust collecting section allows for less dust leakage

### Easy disposal of dust and easy cleaning of dust case

- Dust case cover is easy to open/close with a single operation of a locking tab
- Wide opening of dust case

Dust case Part No. 127190-5
